of students say that shared learning opportunities with other students are as good as or better than they expected*

2 out of 3

students have seen a career improvement since starting their programme*

* Results calculated by the University of Roehampton, London Online based on the responses of 676 current students who responded to the annual student satisfaction survey in 2014. At the time the research was fielded, this was a response rate of 33%.

Aspire. Achieve. Advance.

Today's human resource leaders must be more than administrators. They need to be strategic business partners, with the skills and know-how to enable their organisations and people to thrive in a complex and changing global environment.

Develop the knowledge and the competencies to help you become an inquiring human resource management professional, a champion for your organisation's vision and values.

As a Roehampton Online student, you will have the opportunity to:

- Develop skills relevant to career advancement
- Increase your confidence
- Identify career goals and track your progress
- Manage your studies on your schedule
- Gain insights from a diverse student population
- Develop a social network within the university, helping you stay motivated
- Establish lasting professional relationships

“

In a traditional study programme, I would most probably only learn from peers in the same geographical area. Studying online at the University of Roehampton helps me gain state-of-the-art knowledge and benefit from the exchange with other practitioners from around the world.

”
